

HIGH SPEED HDMI Cable w/Ethernet and Redmere Equalizer, In Wall Rated

Models **FR-HHIC14-30/35/40/50**

Connect any Blu-Ray player, Satellite Box, Cable Box, DVD Player, or ANY device accepting the standard HDMI connector. All our HDMI cables are manufactured to specific HDMI LLC standards and have passed stringent ATC testing requirements (see our certificates below). Finally, a **LONG LENGTH** HDMI cable that is certified for **HIGH SPEED** and **3D Technologies!**

Features and Specifications:

- 100% Backward compatible with all previous HDMI versions 4K x 2K Support - Supports ANY resolution to 4K (4096x2160)
- HDMI Ethernet Channel - Delivers Ethernet data interconnectivity to compatible devices through the HDMI port so you don't need extra cables to get extended features
- Audio Return Channel- Allows the HDMI connection between a television and A/V receiver to transmit audio two ways, both upstream and downstream. This eliminates the need for a separate audio cable and ensures you maintain the high digital audio quality of HDMI
- Full 3D Support - If your source and receiving device support 3D, this cable will!
- Uses AWARD WINNING Redmere MEA1689 Integrated Chipset to sustains speeds of 3.4Gbps per channel (10.2 Gbps total) for LONG LENGTH CABLES!
- Support for ANY TV refresh rates (such as 120Hz/240/480/600Hz)
Cable Specifications:
- Wire Gauge: 28 AWG
- End Connector Dimension: 20.1mm W x 10.7mm H, Cable Thickness: 7.5mm
- CL-2 (Class 2) rated for in-wall installation
- High Speed bandwidth: 10.2 GigaBit/sec (Certified ATC Tested)
- Gold Plated 1u (All 19 wires and Ground Shroud)
- 19 pin, Male to Male, Type A Connector
- Triple Shielded, EMI (Foil, braid, foil)
- No bulky ferrites cores!

- UL / CSA listed (UL File #: E256295, Style: 20276), Max Temperature: 80° C
- Fully HDMI LLC / ATC Certified (Co-Partner Cable and Redmere)

Important Installation Note:

This specialized cable **MUST** be installed with end labeled **SOURCE** connected to the **SOURCE** video equipment (such as a DVD, BluRay, Cable Box), and **SINK** to the TV equipment.

It will NOT function properly if not installed in this manner

Warranty

LIMITED WARRANTY TO ORIGINAL PURCHASER

MY CABLE MART warrants the equipment it manufactures to be free from defects in material and workmanship for the following limited warranty period:

Lifetime Parts Warranty to Original Customer

If equipment fails because of such defects, MY CABLE MART will, at its option, repair or replace the equipment, provided that the equipment has not been subjected to mechanical, electrical, or other abuse or modifications.

My Cable Mart will NOT cover warranty claims where the HDMI end-connectors have been physically damaged – including bent male HDMI connectors, inner pin damage, etc as such damage is caused by un-due stress placed on the cable or connector end.

Equipment that fails under conditions other than those covered will be repaired or replaced at the current price of parts and labor in effect for the repair.

This warranty is in lieu of all other warranties expressed or implied, including without limitation, any implied warranty or merchantability or fitness for any particular purpose, all of which are expressly disclaimed.

The information in this manual has been carefully checked and is believed to be accurate. However, MY CABLE MART assumes no responsibility for any inaccuracies that may be contained in this manual. In no event will MY CABLE MART, be liable for direct, indirect, special, incidental, or consequential damages resulting from any defect or omission in this manual, even if advised of the possibility of such damages, The technical information contained herein regarding HDMI switcher features and specifications is subject to change without notice.
