Connects any stereo audio devices. Specifically design for quality computer audio applications, it works with any PC sound card, speaker, headset, portable CD players and microphone with 3.5mm connector. The CONNECTOR ENDS are shielded to protect against radio frequency and electromagnetic interference. This cable has a PVC jacket, molded ends, and inner hood soldered. Specialized SLIM connector metal shell allows for connection into tight places, such as iTouch and iPhone players when used with a covering or case
