Cat 5E style Keystone jack.

- For use with Keystone panels or wall plates (not included, sold seperately)
- Front is RJ-45 8 wire connection
- Punch-out type connections for rear
- Note: Knowledge of networking and wiring is required to properly connect.
- Plastic punch tool included.
- Manufacturing Note: Our mold labels this product as "CAT5E". However, it is made to both CAT6 and CAT5E specifications
  Installation Note: When using our 4 and 6 hole Decora Plate Inserts, these inserts can NOT be installed "side-by-side" as the hole inserts are spaced too closely
