Build a tidy keystone wallplate with this RCA (front and back) gold plated keystone insert:

- RCA Style Keystone jack. Coupler type (female connectors on the front and back).
- For use with Keystone panels or wall plates (not included, sold separately)
- RCA type connectors suitable for component video, audio (one each for left and right), digital SPDIF audio, or composite video
- Yellow connector typically standard for sub-woofer or composite (single channel) video connections.
