Adapter is designed to use original iPhone 5 (only) with existing 30-Pin accessories (see important product note below).

IMPORTANT / PLEASE NOTE: There is only LIMITED compatibility between iPhone 5 and existing 30-Pin accessories thru such an adapter. SOME connections will fully support SYNC, CHARGE and AUDIO via the 3.5mm port. OTHER connections will only support SYNC and CHARGE but NOT audio. FM Radio is NOT supported as that requires the use of headphone wires as the antenna. MyCableMart is unable to advise in advance which applications and functionality will or will not be supported when using the adapter. MyCableMart will accept return requests for this clearance-priced item however please note MyCableMart does NOT provide return shipping NOR refund original shipping if needing to return for a product-only refund.

For use with original iPhone 5 only.

Not compatible with iPhone 5S/5C, SE, iPhone 6 or any other model besides original iPhone 5
