Cat 6 (also suitable for Cat 5E) style Keystone jack.

- For use with Keystone panels or wall plates (not included, sold seperately)
- Front is RJ-45 8 wire connection (A or B standard color coded)
- Top caps included
- Punch-out type connections for rear
- Note: Knowledge of networking and wiring is required to properly connect.
- 50 micron gold plated contact pins
- Max width (at back): 18.0mm

Installation Note: *When using our 4 and 6 hole Decora Plate Inserts, these inserts can NOT be installed "side-by-side" as the hole inserts are spaced too closely*
