

IR Control Over HDMI

This IR Remote Control Receiver unit (BE-110513) is one part of the THREE parts needed.

BE-110512 - IR Transmitter (1 per source device)

BE-110514 - IR HDMI Adapter (1 at each HDMI connection)

BE-110513 - IR Receiver (1 per display device)

This product can be used with a single standard HDMI cable, or with selected BE-##### HDMI switches and matrix units.
